

5th Grade Happenings

November 20, 2017: Happy Thanksgiving!

Snacks

As a reminder, morning snacks need to be healthy snacks. I talked to the class about this. I am starting to notice items such as potato chips and marshmallows being brought in. Those are not acceptable.

Acceptable Snacks: fruits, veggies, yogurt, granola bars, protein bars, Nutrigrain/store brand bars, non-sugary cereals, Sun Chips, pretzels, sweet potato chips, tortilla chips, crackers, and muffins.

Unacceptable: Potato chips, Cheetos, Doritos, Fritos, etc., cookies, cakes, brownies, snack cakes, candy

*If your child is not sure, he or she can bring it in and I will decide.

Book Orders

If anyone is interested, I will be placing an order on December 8th. I want to make sure the orders get delivered to the school before Christmas break, especially if they are for a gift. If the order is for a gift, please let me know. I don't want to give the book/books to the student and ruin the surprise. I would suggest ordering online, if you intend for the order to be a gift. Just send me an email to let me know it's a gift.

The link below can be used to order online. You can set up an account. The classroom code is: P8FPR.

Online: I believe you can also order from other grade level order forms. Just put in the item number when you order.

We Are Called

This month we are collecting dish soap and gently used winter coats and blankets. They can be placed in the blue bin located in our hallway.

It's important that your child earns or works for items they put into the bins.
