

# 5<sup>th</sup> Grade Happenings

January 17, 2018

## **BRRR! It's Cold Out**

Now that winter weather is here, the temperatures have fallen, and it is cold outside.

**Recess:** Students will be outside, unless the temperatures go below 0. They should be bringing hats, mittens, boots, and snow pants. I would suggest wearing snow pants even if there isn't any snow, so they can keep warm.

**Safety:** They will do safety even if the temperature goes below 0. They definitely need to make sure they are properly dressed. I would suggest snow pants for warmth.

## **5<sup>th</sup> Grade Room Parent**

I am looking for someone to volunteer to be a room parent for our class. I would need this parent to help collect class donations for the school auction. These donations could be cash or items to put towards the silent auction items. We are not collecting items for one basket. The items collected can vary.

If you can volunteer for this position, please let me know.

\*This is not for our class project. I do a personalized fire pit for the class project.

## **Upcoming Test**

Thursday: 1-18-18 (Tomorrow): Social Studies

Friday: 1-19-18: Theology

## **Sacred Art Fair**

Please see the link below. I strongly encourage the 5<sup>th</sup> graders to participate. I will offer 10 points extra credit that can be divided between the subjects I teach. The students can decide how they want to divided the points.

## **Report Cards**

You should've gotten an email with your child's report card attached to it.

## **Grades**
