World Kindness Day: 11-13-18

World Kindness Day is next Tuesday (11-13). As a school we will be participating in a community wide event taking place at Gilbert's Hardware. Please read below for more information.

The idea behind the event is to promote kindness in our community, help teach our children and adults the virtue of kindness, giving them ideas on how to be kind and most importantly asking them to take a pledge to be kind. Anyone in the community is welcome to attend and will be asked to take a pledge and sign their name in chalk to our community Kindness Wall. Starting at approximately 8:00 a.m (and every half hour throughout the day) some local chalk artists and students will be coming to draw pictures reflecting kindness, taking a pledge to be kind and signing their name to our community Kindness Wall.

*St. Paul will be leaving the school at 10:00 am to walk down to Gilbert's to sign the wall. You are more than welcome to join us.

Permission slips went home today. They need to be filled out and returned by this Friday (11-9).

Thank You!

Thanks to everyone who attended conferences. I had 100% participation. It was nice talking with all of you. If you ever have any questions or concerns, please contact me.

Math Test

I am looking at giving a math test sometime next week. It won't be before Wednesday.

Book Orders: Books Make Great Gifts

Remember book orders are due November 30th.

Please make checks out to Scholastic Book Club.

Orders can be placed online. When ordering online, you are able to order from different flyers. Our online class code is P8FPR. Here's the link to order online. <https://clubs.scholastic.com/home>

*If the book order is a gift, please let me know. I don't want to ruin the surprise.

Power School: New link

People have been informing me they are having trouble logging onto Power School. I have posted a new link. If you still have trouble logging on after using the new link, please contact Mrs. Heatwole.
