

5th Grade Happenings

March 26, 2018

March is Reading Month: Coming to an End

Our March is Reading Month is coming to an end. I will check calendars one more time on Wednesday. Students were graded on whether or not they reached their reading goals. Under their literature grades, you will see grades for "Reading Goals." If you see a 10/10, then they reached their goal. A score of less than 10 indicates the goal was not reached. Those who get to God's Sweet Kingdom on Wednesday will get to be part of the celebration on Thursday and have donuts.

Seder Meal

I will be having a little Seder Meal with the 5th graders Thursday morning. If they have never experienced one, they will get to on Thursday.

Science Test

There will be a science test on Wednesday (3-28). It will cover chapter 1B. The class was given a study guide and we went over it.

Grades

Coin Drive for Puerto Rico

There is a coin drive taking place this week to help with the continued relief efforts of the hurricane victims of Puerto Rico. This is a contest between each grade. The grade with the highest amount of money per student will be treated to a pizza party after spring break. Let's go 5th grade! Show your generosity!

Safety Patrol Field Trip

Each year the Safety Patrol members are treated to a field trip as a thank you for their service. They have decided they would like to go to Soaring Eagle Casino Water Park. A date has not been set, but I am looking at late April or early May. I will send an email out asking which month and day of the week works best for parents. I will need drivers.
