Books Make Great Gifts!

Books make great Christmas/birthday gifts. Students were given Scholastic book order flyers. If you would like to order any books, I will be placing an order on December 3rd. I want to make sure I have the order before Christmas break.

Our online class code is: P8FPR. Use this class code when ordering online.

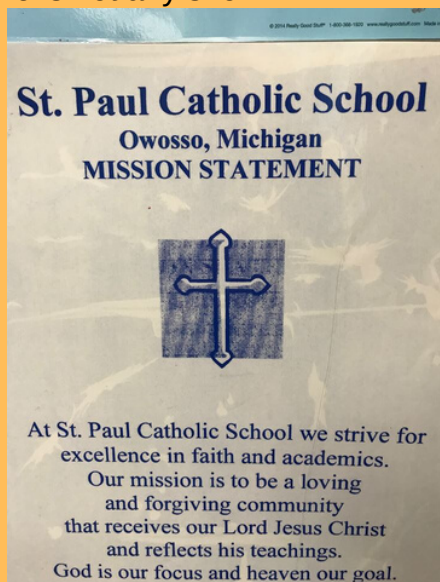

If you order online and spend \$25 or more, you can choose a free book up to \$5 in value. Use coupon code READS.

Here's the web address for ordering online.
<https://clubs.scholastic.com/home>

***If the order is a gift, please let me know. I do not want to ruin the surprise**

Dressing for Safety Patrol

Now that the outside temperatures have dropped, the kids need to make sure they are dressed appropriately while standing outside doing safety. In addition to their winter coats, hats, and mittens, I suggest they wear snow pants on the very cold days, even if there is not any snow.

Casual for a Cause: 11-22

Pajamas: If students bring in a brand new pair of pajamas (newborn through adult sizes), they may wear pajamas next Friday for Casual for a Cause.

\$1: If students bring in a \$1, they may wear regular Casual for a Cause attire.

Upcoming Test

There will be a theology test on Tuesday (11-19). The class has test response questions to work on this weekend. Those questions are just part of the test. We will go over those questions on Monday and do an online review.

Power School: Grades

Remember to be checking your child's grades. Here's the web address: <https://dol.clgpsedu.com/public/home.html>
