

5th Grade Happenings

December 15, 2019

5th Grade Christmas Party

Thank you to everyone who volunteered to bring items in for our party. I had a 100% response, so we are all set with what we need. We will start with our Secret Santa exchange, then decorate cookies, and finally watch our movie. To make sure we have time for everything, the party will probably start around 9:30. The kids may wear pajamas to school.

Moby Max: Keep Up On Those Skills

The 5th graders can work on their academic skills this Christmas break by going onto Moby Max. They know their username and password.

Auction Raffle Tickets

Hopefully you have received your auction raffle tickets. You might want to consider giving these as Christmas gifts. A \$10 ticket could turn into a beautiful quilt, or \$500, or \$1,000 for someone.

***This will be the last newsletter until after Christmas break.**

5th Grade Think Outside Yourself (TOY) Field Trip

We had a successful TOY Field Trip. With their money and help from Mrs. Heatwole and myself, the 5th grade was able to fill a cart with toys for Toys for Tots. The 5th grade had a lot of fun shopping. See pictures below.

Power School: Grades

Remember to be checking your child's grades. Here's the web address: <https://dol.clgpsedu.com/public/home.html>
