

# 5th Grade Happenings

## April 12, 2019

### **NWEA Testing**

NWEA testing will take place next week and the following week. I will be giving 2 tests next week and 2 tests the week of April 22nd. Below are the dates and times of day that the tests will be given.

April 16th: Afternoon Testing

April 18th: Morning Testing

April 22nd: Morning Testing

April 23rd: Morning Testing

### **Earth Day Field Trip: Permission Slips**

Please remember that permission slips are due by next Thursday (4-18). The due date was next Friday, but we don't have school that day. I have received several back. I am all set on drivers. If you volunteered to drive, please plan on driving. Thank you! I will contact my drivers via email. The field trip is April 24th.

### **Successful Stations of the Cross**

The 5th graders, assisted by the 3rd and 4th graders, did a beautiful job with the Stations of the Cross today.

They received compliments from Mrs. Heatwole and several other teachers.

### **Coin Drive**

St. Paul is holding a coin drive.

The money collected will go towards the Child Advocacy Center. Both coins and bills are accepted. There is a contest between the grades.

### **Think Energy! Surveys**

Thank you for taking the time to fill out the surveys. Some students have returned theirs. If you could complete them in the next couple of weeks, that would be great.

When I get them all back, I will send them in, and our classroom will get \$100. If you need another one, let me know. I have extras.

### **Hope In a Box**

This month's Hope In a Box collection is deodorant.
