

# 5th Grade Happenings

April 30, 2019

## May Crowning, Band Concert, Spring Concert

May Crowning will begin at 6:30. If the weather allows, it will be outside at the new rosary garden. If it's raining it will be in the gym.

Immediately following the May Crowning we will go to the gym, and after everyone is settled we will have the 5th grade band concert, followed with the spring concert.

\*Please wear dress code or dress your best. No jeans.

## Safety Patrol Field Trip

As a thank you to the 5th grade safety patrol members for their service in safely crossing students and parents before and after school, they will be rewarded with a field trip to the Soaring Eagle Water Park. I would like to take the trip sometime in the next couple of weeks. I will need drivers. An email was sent asking if you could drive and what days work best. The school does pay for this trip.

## Accordion Folders

Please be checking your child's "Notes" section of his or her accordion folder. They should be giving you the items that are in that section. However, going through some of the folders, I can see that is not happening. After they get the lunch order forms and the May Safety Calendar, those are the only things that should be in there. Once those are removed, that section should be empty. After you look at the materials in the notes section, please don't put it back in there.

## Think Energy Survey Update

As of now, I have received 4 surveys. That number of surveys will earn \$25 for our classroom. The more surveys I get, the more money we will get for our classroom. I would like to use the money towards the end of the year field trip.

## Upcoming Test

We will have a science test next Monday (5-6). The students will get the study guide today.

## Diocesan Theology Test

The 5th graders just finished the Diocesan theology test. This test assess their knowledge of theology from kindergarten to now. This test does not affect their grade. However it is important that they put their best effort into it. I will not be sending the test home, but I will send home a copy of the individual scores to each student.

## End Of The Year Field Trip

We will be going to the Air Zoo. I have not set a date yet, but I do plan on going in June.

Earth Day Field Trip
