

5th Grade Happenings

August 30, 2019

Welcome Back!

Welcome back to a new school year. I am looking forward to a wonderful and blessed year with the students.

Class Tag

It looks like everyone has signed up for Class Tag. If you have not, please do so. I will be using Class Tag as one of my forms of communication.

Scholastic Book Club

I do place book orders through Scholastic. You can order using the flyers that I send home or you can set up an online account and order that way. If you set up an online account, you can order at anytime. Here's the address to get started for setting up an online account.

<https://clubs.scholastic.com/home>

After you click "Get Started" under Parents, type in the class code P8FPR.

Hartley Information

Hartley Colored Forms: If you could get those filled out and returned by September 13th, that would be great. I need to send them to Hartley before we arrive.

Cost: This has yet to be determined. I will let you know as soon as I know.

Communication

In addition to Class Tag, I will also be communicating through email and newsletters. Please be checking your email. The newsletters are usually weekly. The newsletters will be posted on my school website and a link to the newsletter will be emailed.
