What Are We Learning With Ms. Schueller?

Theology: We just finished learning about God's wonderful creation.

Science: We are wrapping up Earth's Resources and how to take care of the Earth God gave us.

Reading: We started reading a short story, Davy Crockett Saves the World, and we will be focusing on plot and setting while we read.

Language Arts: We just ended our unit on nouns.

Hartley Chaperones Update

I am in need of 1 more male chaperone. A chaperone does not necessarily have to be a parent.

If you know someone who might be interested, is over the age of 20, works well with children, is responsible, and is Virtus trained, please let me know.
