

## **Kids Connection Health Form**

As a childcare center licensed by the State of Michigan, we are required to have a statement signed by parents/guardians with the following information:

- My child is in good health with activity restrictions noted.
- My child's immunizations are up to date.
- The immunization records or appropriate waiver is on file with the school.

By signing the enrollment form you are stating the above to be true regarding your child. For children who are not of school age, we require a health form to be completed by the child's physician.
