Kindergarten News!

Dear Kindergarten families,

We have had such a nice week! We have been enjoying the beautiful weather and were able to do some of lessons outside! We even went on a litter walk to do our part being good citizens (our social studies focus this week)!

Speaking of social studies...At the beginning of each school year, we normally have what we call "Curriculum Night". We are not able to do that this year. Instead, I will be sending out a Power Point outline of the curriculum I use in Kindergarten. This will basically give you an idea of what your child will be learning in each subject area this year. Afterwards, I will be sending out a survey to ask you when the best time is for me to call you. We are not able to see each other to discuss how your child is doing or other things such as curriculum, expectations and/or just questions you may have. I hope that these steps will help bridge the gap and our parent/teacher connections!

Please let me know if your child is supposed to be getting milk. Some of the children are telling me that they do not want milk and I want to make sure that it is ok with you that they do not get it. Thank you!

Have a blessed weekend!

Ms. Jones

"Fun Work"!

This week's fun work is to have your child bring in a few pretty fall leaves! We will be focusing on fall and the changing seasons next week in science. Thank you!
