

Dear VBS Families,

We hope this email finds you and your families well. So many of you have been with this ministry for a long time, so you will know how very hard it is for us to send this message. We have been waiting as long as possible to make a decision about VBS 2020 in hopes that the situation would have a major improvement. Unfortunately, with the current status of the city of Nashville, along with the concerns that many have over the rate of improvement versus the risks of the pandemic, we have made the decision to cancel VBS 2020. All families who paid online will be fully reimbursed.

Ms. Skinner has not missed VBS in 20 years. She is so sad! Mrs. Gorman was looking forward to her first year working full-time with VBS. Together we had big plans and were excited to direct Rocky Railway together. We were looking forward to welcoming familiar friends and the newest additions to our ministry.

We will look forward to VBS 2021 and will plan to open participant registration April 1, 2021.

Please keep in prayer all in our parish community, our city, state and beyond. Know that you can reach out to us for support if your family needs it.

We miss seeing all of our CTK families and look forward to gathering at the Church soon.

Sincerely in Christ,

Mrs. Gorman and Ms. Skinner
