

# How to contact your elected officials about the HHS mandate

The National Committee for a Human Life Amendment (NCHLA), the public policy arm for the U.S. Conference of Catholic Bishops, has set up an Action Alert page at [www.nchla.org](http://www.nchla.org).

## The message:

"Please co-sponsor the Respect for Rights of Conscience Act (H.R. 1179, S. 1467) and help enact it into law. The Obama administration's decision to require even religious institutions to provide coverage of sterilization and contraceptives, including drugs that can cause an abortion, makes passage of this measure especially urgent. Please ensure that the rights of conscience of all participants in our nation's health care system are respected."
