Mission and Goals

The Diocesan Cemetery Group is comprised of (13) thirteen cemeteries spread out from the north end of Worcester County in Athol to the southern end of Worcester County in Southbridge. Our mission is to provide a safe and private setting for our catholic families to bury and honor their deceased. This is further supported by the closure process for a Christian burial. Our goal is to provide to all families the combined years of knowledge and experience of our staff by assisting in all facets of the cemetery process ensuring that our families' receive support from start to finish.

As far as developed programs are concerned we have one program that is all encompassing and offered to all families that have an interest in any of our cemeteries in the Diocesan Cemetery Group:

- ❖ In house pre-need and at-need counseling to prepare an individual or an entire family for proper sizing of a lot, total costs for that families' needs, clergy assistance if needed for graveside services and financial guidance for that plan that includes interest free financing for (12) months.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bob', written over the word 'Sincerely'.
