

## MISSION STATEMENT

Nazareth's mission is to provide high quality education and specialized services to youth and their families without discrimination within a community oriented environment in the tradition of its founders, the Sisters of Mercy.

### Core Values:

- Nazareth commits itself to this mission, recognizing the contributions of those youth and families it serves.
- Nazareth believes that every individual and family has value and strengths to be supported and enhanced.
- Our efforts are to serve individuals in the least restrictive educational and/or living environment.
- Nazareth is committed to being part of the community and supporting the community's ability to ensure that individuals and families are able to live in a safe, healthy, wholesome, and local, environment.
- We engage as partners, in a comprehensive service network, with any individual or entity committed to achieving the goals of those we serve.
- Our efforts are to support the most satisfactory social adjustment of which youth are capable, offering help to them and their families by aiding their physical, emotional and spiritual restoration, through a comprehensive service network.

McAuley Nazareth Home for Boys opens the door to Christian spirituality for many troubled youth who have never been exposed to religion and renew opportunities for those already on a spiritual journey. Every Saturday morning, our youth participate in a short Catholic service, welcoming God into their lives. Our staff support this endeavor, praying with our youth at mealtime and bedtime when the youth request it. This continues to be the heart of our work to this day, fostering the whole development of each youth we serve.

Respectfully submitted,

Kim Paré, M.Ed., CAGS  
Executive Director
