Diocesan Pastoral Council
2015
What is a Pastoral Council?

A group of dedicated and faithful parishioners that meet on a regularly scheduled basis to advise and assist the pastor in his leadership role of planning, organizing, initiating, promoting, coordinating, and reviewing the evangelization, worship, religious education/formation, and service activities of the parish.
Why a Parish Pastoral Council?

- Second Vatican Council
  - Decree on the Apostolate of Lay People #26.

“In dioceses as far as possible, councils should be set up to assist the Church’s apostolic work, whether in the field of evangelization and sanctification or the fields of charity, social relations and the rest…”
Why a Parish Pastoral Council?

- Code of Canon Law (Canon 536 1)

“After the diocesan bishop has listened to the Presbyteral Council and if he judges it opportune, a pastoral council is to be established in each parish; the pastor presides over it, and through it the Christian faithful along with those who share in the pastoral care of the parish in virtue of their office give their help in fostering pastoral activity”
The Real Reason?

**COMPLEXITY**

Parish size + social, ethnic, racial, economic, demographic, and geographic diversity + 24/7 news cycle = **COMPLEXITY**
Today’s Parish

• Today’s parish is a complex entity in a sometimes hostile social environment that requires many different skills, talents and gifts to operate successfully.
Functions of the Council

- Advise the Pastor on any pastoral issue presented by the Pastor
- Present parish pastoral issues raised by the congregation
- Prayerfully and thoughtfully investigate and consider issues, documents and information pertaining to the pastor activity of the parish
- Offer timely input and recommendations to the Pastor based on their own wisdom, knowledge, and experience
Functions (Continued)

• Informally listen, gather and discern information relating to matters presented to the council.
• Identify needs and priorities of the parish
• Collaborate with the Pastor in giving concrete advise, suggestions, recommendations, and feedback on matters pertaining to living out the mission of Christ in the diocese
• Provide a channel of communication between the parishioners and the Pastor
Three Models

- Small Parish Model
- Mid-Size Parish Model
