A Morning Retreat for Women with Kathryn O’Connell Cleary

8:30 A.M. to 12:00 P.M.
St. Mary’s Church Hall, Shrewsbury

The busyness of our lives takes us out to a larger world, often neglecting the place we are most at home….with God. How can we find practical ways to bring ourselves home to a God who waits for us? Within the shopping, commuting, caring for children, and working at our day job, we can develop organic disciplines that allow us to drop down into an awareness of the Sacred.
