Once again, please bear in mind that referrals should be made only for patients who are quarantined or in a life-threatening situation, not for regular “Communion calls.” Also, we would ask that you determine the sick person’s general medical condition and their status in regard to COVID-19 before calling the Designated Priest Minister of the Sick.

If you have any questions, please call me (202-256-6682) or any of our brothers serving in this generous ministry.

Let us continue to be one in prayer!

In the Lord,

Jim
