

TIP #1: Ready to learn and focus

- Wake up early enough for class
- Get dressed as though you are going to school
- Try to find a **quiet place** away from others where you can **focus**
 - *It's okay to be on your bed, just be sure you're out of bed*

TIP #2: Let others know you're in school

- Tell folks in your house that you are actually in school
- Try to take care of other tasks ahead of time so you won't be interrupted during class
- Make a sign for the door or the back of your Chrome **"In Class"**

Norms for Virtual Learning Professionalism

TIP #3: Virtual Classroom Norms

- Close unrelated tabs
- Video on (if possible)
- Mute microphone during class if there is background sound
- Speak up so we can hear you
- Sitting up to face the computer

TIP #4: Reach out for help

- This is new for all of us
- We will help each other learn and succeed
- Tell your **teacher** if you need **support** with anything (technology, school supplies, quiet space, family communication, etc.)
