

Hello 5th graders and families,

I am so excited to be your teacher next year! You will be assigned work to complete over the summer in both ELA (English/language arts), and math. Your assignments will be posted onto Google Classroom, with very specific directions for each subject. Pdf versions of all assignments will be available, if you would prefer to print and complete your assignments.

It is important to continue practicing ELA and math skills over the summer to help you transition to fifth grade. Continuing to practice and review skills will help students maintain their fourth grade skills, and also help students to grow.

Both, ELA and math assignments must be handed in on or before the first day of school (Wednesday, August 26th). They can be handed in on Google Classroom, sent to my email address, or handed to me on the first day. **Late summer work will not be accepted after the first day of school.** These assignments will also be counted as **test grades**.

I will be available throughout the summer to help, as needed! I wish you all a wonderful summer vacation! Keep up the great work you did in fourth grade, and I look forward to a fun, successful school year with you!

To access your summer work, you will need to join our Google Classroom. You will need to click on “classwork,” and all of your summer work will be listed, with instructions, including your supply lists for next year.

Class Code: **qrvczkj**

***Use your St. Teresa email and password to join!**

Sign in for the first time

1. Go to classroom.google.com and click Go to Classroom.
2. Enter your username and click Next. ***Use your St. Teresa email and password!**
3. Enter your password and click Next.
