Dear Friend of SCB:

The Parents, Teachers, and Friends Organization (PTFO) of St. Charles Borromeo School is hosting its **30th Annual SCB Golf Tournament** on **Friday, March 27th**, and we would like to invite your company to become a sponsor for this year's special event.

The event will take place at Cypress Lakes Country Club in Destrehan. There will be ONE flight with a 12:00pm shotgun start. Lunch will be provided with many additions along the course.

Thanks to all who have donated in the past! With your help, last year we raised over \$14,000.00! The PTFO funds help defray fieldtrip expenses, provide teacher start-up money for each new school year, and provide needed technology and infrastructure upgrades. The funds raised this year will be used to update the video system in the gym including a large, permanent, electronic screen and a permanent projector.

We are requesting your support of this fundraiser by asking you to become a sponsor of this wonderful event. Please review the enclosed sponsor form detailing the Sponsorship Levels. As soon as your sponsorship is received, you will be included in all golf publications. Sponsors will also be recognized on the school website and in school newsletters. All donations are tax exempt to the full extent of the law.

St. Charles Borromeo School was founded in 1929 and has an enrollment of more than 450 students in preschool through seventh grade. The St. Charles Borromeo community includes over 300 school families throughout St. Charles, St. John and Jefferson Parishes, and over 2,000 church families. The PTFO sponsors fundraisers to provide our students with items that would not otherwise be included in the school's budget.

Thank you for your consideration in support of the students of St. Charles Borromeo School. Please mail donations by **March 13th, 2020** to:
