

Guidelines for all adorers:

You must know the entry code on the temporary door to use the chapel. If you do not know the code, contact Mike Hebert at 764-9459 to receive it. You must be a registered adorer to have the code. For the safety of all adorers, please do not share that information with anyone.

Maximum of 3 adorers in the chapel until further notice!

Until the permanent front door of the chapel is installed, you are asked to lock the door behind you as you enter for safety reasons.

If you like to read/pray during your hour, please bring your own book and take it home with you.

A mask must be worn at all time in the chapel unless you are alone!

Please bring sanitary wipes to disinfect the areas you sat &/or touched including door handles & in the restroom.

Security cameras have been installed outside of the chapel for your safety.

You will notice a black communication box on the left side of the entrance. You may press the bottom button of that box to speak with the adorer inside the chapel or simply enter the access code and enter. Once you press the communication button, the adorer inside the chapel will be able to see you on the monitor located on the wall just to the right of the fire extinguisher cabinet and speak with you. Please keep the maximum capacity to 3 adorers until further notice.

As always, please remain reverent at all times in the chapel. A beautiful courtyard has been created for conversation with your partner or other adorers.
