

# ST. CHARLES BORROMEO CHURCH HEADED BACK TO LAKE CHARLES

**SATURDAY, SEPTEMBER 19, 2020**

**St.  
Charles  
Borromeo  
Parish**

**“Our  
Brothers  
Keepers”**

On Sunday, September 6th a group of 60 from SCB served over 2000 hot plates. The need is plenty. We invite you to join us as we return to Lake Charles to help our neighbors and friends in Christ again on Saturday 9/19. We are in need of volunteers and supplies. Monetary donations will be accepted at the parish office or through Venmo: [@Melissa-ory](#). We are also looking for people with capabilities to cook on site and donations of large food items prepared in advance to heat and serve there. Please contact the parish office if you are interested in participating. Thank you in advance for helping those in need!
