## Letters to Santa

Merry Christmas, Happy Hannukah, Habari gani, Eid Mubarak!!

Hello Kids! Please send Santa a message! I would love to hear from you! Me, Mrs. Claus or one of my amazing elves will send you a reply back in the mail.

You can drop your letter off at the driveway, right next to the North Royalton Fire Station at the city green between November 1st and December 10th. I placed a beautifully decorated mail box there just waiting for your note!

Don't forget to include the address where you would like me to send your letter!

Love,

Santa
