 - Theresa is willing to serve again as Secretary – Theresa will serve as secretary
 - Bill will serve as vice president

5. Pastor Comments – **Fr. McCullough**
 - a. See OLR’s weekly schedule below starting Wednesday, July 1 – return to normal; discontinuing rotating communion services; St. James – 8 on Mondays and evening Mass in Spanish at OLR. Saturday morning masses at OLR and confession and adoration; weekend mass schedule returns to normal weekend of July 4 & 5. No sign-ups but keep the current protocols; weekend Masses were still crowded during COVID so return to normal will alleviate crowding issues. Sign-ups no longer on website.
 - b. Weekend Mass schedules will return to normal starting the weekend of July 4/5.
 - c. Fr Lambert leaves for the Westside – Fr. Lambert leaving July 30th. Nice farewell drive by for Fr. Lambert
 - d. Fr Jeff Stegbauer starts July 1 – Speaks Spanish and can help with the Spanish and English Masses. Will live at St. James
 - e. Confessional status? – was in the process at the beginning of COVID. Clem Skinner will be able to pick up materials week of July 29th and then begin assembly.

- f. Antiphons, Hymnals, what to do with “Gather”. Update?- Begin gradual introduction of antiphons before we start a hymn. Seminarians at OLR are working with the Latino music group to teach them Gregorian chants and antiphons. No rush to replace hymnals because we shouldn’t have them available with COVID.
 - g. We acquired a license from the company that makes the Gather Hymnals. While streaming Mass we will have the ability to stream them through Mass. Will continue to stream Sunday Mass and a daily Mass throughout the COVID response.
 - h. Faith Formation – in-person events are limited. Continuing to talk about how to provide face to face faith formation.
 - i. Capital campaign – successful campaign. Our estimates were correct and close to the bid.
 - j. Crucifix – Matt K. fixed the crucifix. Still has a substantial crack through the back of it. It is brittle and old. Refinishing it will be expensive considering it is structurally unsound. The background is custom Formica. Fr. Will work collaboratively with others to make a decision on the background and crucifix.
6. Finance (Year ends June 30) – Comments from David Crowe
- a. Through the end of March – contributions were ahead of both budget and prior year. April and May also looked very stable from a contributions standpoint – OLR parishioners continued to mail in or drop off their contributions, and enrollment in WeShare also increased during the stay at home order!
 - b. No news on next year’s budget yet. We applied for grant money through dept. of homeland security for a new security system. We did not get the grant. We are working on making that a budgeted item for this next fiscal year.
 - c. A \$25,000 bequest was made to the church during Q3 (Jan-March)
 - d. Overall expenses (both GENERAL and FACilities) are below budget, and the parish has a healthy favorable position on this fiscal year through March.
 - e. The Archdiocese conducted a financial review (not an audit). A few improvements were suggested and are being implemented.
7. Capital Campaign
- a. The goal is \$200,000 minimum
 - b. Pledges are at 120% of goal
 - c. 66% has been received
 - d. Weberding will be working on an estimate for the pew, kneeler and tabernacle work.
8. Questions / Concerns of Parishioners **All**–
- a. July 4 Mass will be streamed.
 - b. Choir will not be returning for unforeseen future, but Matt will have a couple cantors for each Mass.
 - c. Lectors only. Distributors will not be used except for deacon and Fr. No servers
