2. September meeting minutes/summary approval – **September attendees – September minutes approved.**
3. Parish Council Meetings - OLR's remaining 2020-2021 meetings will be March 25 (Easter is April 4<sup>th</sup>), and June 24
4. Pastor Comments – **Fr. McCullough**
  - a. The St Matthias Sunday 9:00 Mass is now Spanish only.
  - b. Confessional status – It was in status when COVID hit. Now on pause.
  - c. Antiphons, Hymns, what to do with “Gather”. Update – no decisions are being made now.
  - d. ~200 people attended the Las Mañanitas for the feast of Our Lady of Guadalupe. No social gathering afterwards
  - e. Rorate Mass this weekend.
  - f. New music director for St. Matthias and 11:30 for OLR. Weddings, funerals and 2 Masses/weekend.
  - g. Faith Formation?
  - h. Other topics?
5. Giving Tuesday
  - a. Goal: Fund the installation of a dedicated web camera and other required equipment with the goal of dramatically improving the live stream video feed during online Masses. Our total parish goal is set at \$12,500, and any funds raised in excess of the \$8,700 required to fund the streaming equipment in church will go towards improving the video streaming capabilities in the Catholic Center media room. This additional media room improvement will allow us to provide better formation and evangelization opportunities to our parishioners with improved livestreaming equipment.
  - b. Result: \$25,373 raised!
  - c. 47 Donors; \$7,500 was the highest donation
6. Capital Campaign – **Fr. McCullough**

- a. The goal was \$200,000
  - b. Pledges are at \$239,500 – 120% of goal
  - c. About 78% has been received – Now at \$186,000
  - d. We need to actually receive an additional ~\$45,000 before work can start.
  - e. Weberding will be working on an estimate for the pew, kneeler and tabernacle work.
  - f. Hard surface on altar, where Communion is distributed and main aisle. Carpet down the side aisles and under the pews.
  - g. We have \$319,000 in Capital Improvement Savings
  - h. Will need to replace the corpus, change the background, and make decisions on the lighting behind the crucifix.
  - i. A rendering of the of the architect’s proposal for the sanctuary was presented. Concern was voiced about the ramp’s large required space (footprint) and whether there was a sufficient increase in the usable “altar-level” space.
7. Questions / Concerns of Parishioners **All**
- a. Music at Christmas midnight Mass
  - b. Comment on decision to cancel overnight Adoration-we were under a curfew at the time. In the spirit of Goodwill, we are doing our best to follow the state and government guidelines.
  - c. Theology of the Body will not be at Ruah Woods during COVID. The Newman Connection – The Rich Gift of Love A is a good online program for teens and adults.
