Why Online Giving?

1. **It's easier.** You no longer have to remember envelopes, write checks or look for change - the payment is automatically processed in the amount and time that you define.

2. **It improves budgeting.** Your regular contributions are streamlined and predictable throughout the year. Plus easier tracking of your contributions for tax purposes.

3. **It saves money.** Online giving reduces CTK administration, envelope printing and mailing costs. The processing and tracking of donations is more streamlined, freeing up time and money to be spent on more worthwhile things.

4. **Loyalty points.** For those of you who accumulate credit card points this option will allow you to accumulate valuable program points.

5. **It helps your Parish.** Income is more predictable and this helps smooth out the ups and downs of collections when you are out of town for work or pleasure.

To Hear the Gospel and Make a Difference
What Else Do I Need to Know?

1. **Forms of Payment Accepted.**
   Contributions can be made from:
   - Checking or Savings Accounts
   - Debit Cards
   - Credit Cards

2. **Timing and Amount of Payment.** You can designate the amount and timing of your contribution in a way that best suits your budget. Pick weekly or monthly contributions. Also, you can stop or change the amount/timing whenever you want.

3. **Show your support for the Parish by placing a contribution card in the collection basket.** You can show your support for the parish even if you are contributing online. Contribution cards will be available so that you can show your support during Mass by placing them in the collection basket.

4. **I prefer using envelopes.** If online giving is not for you, don’t worry. Envelopes are not going away. This tried and true means for making your donation will still be available if this is your preferred way of making a donation.

5. **Security and Privacy.** All of your financial information will be kept secure and private at all times. It will only be used for the purposes of parish contributions in the manner that you designate.

Three Ways of Online Giving

**Option 1. Sign-up Online**
Go to [www.ctkph.org/Giving](http://www.ctkph.org/Giving) and click on “Online Giving” to set-up online donations. This site provides flexibility in directing your donations and can handle special collections as well. The website is hosted through a third party financial service firm that supports charitable organizations with safe and secure management of recurring donations.

**Option 2. Submit a Paper Form**
Use the separate authorization form and provide either credit card or bank account information, then elect a frequency and dollar amount for a recurring donation. Seal in an envelope and drop it in the collection basket or bring it to the Parish Office. We will set up a recurring transaction on the account you provide and ensure your personal information is kept safe and secure.

**Option 3. Use Online Banking**
Feel free to use your current online banking service. Simply create Christ the King Church as one of your Payees then setup a recurring payment to make your donation. You can add the envelope number in the account number field to help the office record your donation for tax reporting purposes.

Donate from your smart phone
