  o Do you have (or had in the past) any children in the Parish School or Religious Education program(s)? Have you been involved in these or any Adult Religious Education programs?
  o What ministries are you, or have you been, involved in and what has been your role?

• Please describe the role and mission of the Pastoral Council, as you understand it...

• Why would you like to serve on the Pastoral Council?

• What do you think the direction of the Parish should be in the coming few years? And what are your gifts, talents and interests that might contribute to that?

• What does Christ The King’s Mission Statement mean to you personally?

• How do you feel about the question of whether Christ The King leadership, and the community as a whole, is fulfilling that mission? And in what areas could we improve?

Please fill in completely (use additional sheets or reformat as necessary) and return to pastoralcouncil@ctkph.org or the Parish Office no later than June 4th!
