# Board Game

## Instructions

Cut apart the game markers below. Give one to each player. Then, cut apart the numbers as well. Put all of the game marker pieces at the start line. Turn the numbers face down, and mix them up.

One at a time, each player chooses a number, moves the appropriate number of spaces, and then gives an example of how, when, or if they followed what is described in the space. The first player to reach the finish wins.

You asked a new student to eat lunch with you. <b>Move ahead 1 space.</b>		You let someone go before you in line. <b>Move ahead 1 space.</b>	<b>FINISH</b>
You hit someone on the playground. <b>Move back 2 spaces.</b>	You didn't tell the whole truth. <b>Move back 1 space.</b>		You cleaned your room without being asked. <b>Move ahead 2 spaces.</b>
You didn't laugh when a classmate fell. <b>Move ahead 1 space.</b>	You talked back to your mom or dad. <b>Move back 2 spaces.</b>
