## Driving the Word Home

To practice getting a better understanding of God’s Word and his messages to us, follow the steps below.

1. Spend some time reading selections from the Bible—perhaps a passage that you have recently heard or a reading from Sunday Mass. After finding a passage that you would like to use, write it below. Be sure to note the book, chapter, and verse numbers.

2. Next, write a sentence or two about what you believe your passage means and why the message is an important one.

3. Read your passage to the group, or to your family on the drive home after Mass. Explain why you chose this particular passage and “drive the Word home” by sharing how God’s message is still important today.
