Give back to God
10%

You Keep
90%

Your annual pay \$_____ divided by 52 (weeks) = \$_____ which is your weekly income. Use the chart below to determine the amount you are currently giving each week and the percentage this represents. Prayerfully consider giving at the next percent level with the goal of reaching 5%. The Biblical tithe is 10%, commonly, with 5% going to the parish and the other 5% going to support areas such as the Annual Catholic Appeal, Food Bank, Catholic Charities, etc.
