

## SAFE ENVIRONMENT TRAINING AND BACKGROUND CHECKS FOR VOLUNTEERS

History: Since the USCCB Charter's inception, the **Diocese of Spokane has required all volunteers whose duties place them in on-going contact with minors and young adults 18-21 to pass a background check and receive safe environment training.**

USCCB Charter Article 13 now states, "*Dioceses/eparchies are to evaluate the background of all their respective ...volunteers whose duties include contact with minors*".

Each parish/school makes the final determination of which volunteers have duties that require contact with minors. The Diocese has developed guidelines, and the Diocesan Director of the Office of Child and Youth Protection is always available for guidance.
