Roofing for the Church: Members of the Parish Council requested help for the roof of the church which leaks. They have recently completed tiling of the church floor and do not want it damaged by rain. More importantly, the church itself needs to be stabilized.
Cost: \$5889

Replacement of Marian Center patio roof – it is blowing off. Cost:

Alejandria Stadium in Ixtahuacan:

- The Soccer Board of Ixtahuacan needs help to complete the work on the Alejandria Stadium.
 - They have fenced around the soccer field, and purchased a lawnmower.
 - Their next priority is to remodel the basketball court above the field.
 - This stadium complex provides a place of recreation for 29 communities of Ixtahuacan, and helps to keep youth and adults from drug addiction.
 - The complex is used by schools during school as well as after school groups.
 - Many people walk for 2-3 hours for games and entertainment.
 - Competitions take place between schools in towns and communities in the Solola diocese on a regular basis. Invitations are sent out from other communities for tournaments; however many will not come to Ixtahuacan due to the bad shape of the basketball court.
 - Santa Catarina parish also uses the complex for youth gatherings, fiestas, and other activities.
 - The Soccer Board has tried to solicit government help but they have not received any help.
 - They have outlined costs for the basketball court, as well as drainage, filling, and leveling of the soccer field; but the first priority is the basketball court.
Cost: \$8161

Colegio Nahuala (Catholic school in Nahuala)

- Funds to bring staff salaries up to the standard of public school salaries.

Medical Clinics

- Funds to help with purchase of medicines for all four medical clinics. They have purchased more medicine and equipment due to COVID-19 pandemic which totaled more than \$2000 extra cost.
