

GIFT: Give IT for Technology

The goal of the **GIFT** Campaign is to replace the Media Center's aging desktop computers with a **GIFT** from you. Mary Queen School is offering families, parishioners, alumni and friends the opportunity to give a \$400 tax-deductible donation to purchase one new computer for our Media Center.

With the donation is a personalized label on the desktop and your family's name on the donation plaque to be placed outside the Media Center.

GIFTS may come from one family or shared with another family.

In this season of giving, please consider helping the students at Mary Queen of the Holy Rosary School by updating our technology in the Media Center.

Please make your donation of \$400 payable to **MQHRS Technology** and return it to the school office with this completed flyer. We will mail your tax deduction receipt. Thank you for your donation.
