

OFFICE OF
CATHOLIC SCHOOLS

Memo: To all Parents and Staff of the Lexington Diocese Catholic Schools.

- 1) Please remember that all of our decisions are based on what we believe is best practices and best for the children we serve.
- 2) We will follow all of the Governor's recommendations concerning school closings.
- 3) Your School Principal will communicate to you with all details concerning your individual school. Remember will have 14 schools in nine different counties so not all of our schools have the same County Health Directives.
- 4) I ask you to remember that Prayer is a powerful tool. Please pray for us as we work through all of these difficult issues as I will continue to pray for you. I know we will get through this with God's guidance.

Sincerely,

Thomas O. Brown
