Hello St. Ann School Families,

At the direction of the Johnson County Department of Health and Environment, all Catholic schools in Johnson county will be closed through at least April 5, 2020. Schools are being closed to prevent the spread of COVID-19. We are working to ensure your child(ren)'s learning will continue during this closure. Please look for more information via email early next week regarding how our school will support your child(ren).

We understand the challenges that this closure may present for your family. However, we are in agreement with Johnson County Department of Health and Environment that this closure is in the best interest of our students and families.

Although we can't physically be together right now, we are still a family. I will continue to lift up the staff and the families of St. Ann in prayer daily and I ask that you do the same. Please stay safe.

God Bless,

Mrs. Liz Minks
Principal | St. Ann Catholic School
