

JMJ

Dear Parishioners,

Saint Luke causes us to have a reflection on Jesus' words that invite the disciples not to fear, but to face difficulties, misunderstandings and even persecutions with trust, persevering through faith in Him. The Lord says: "When you hear of wars and tumults, do not be terrified; for this must first take place, but the end will not be at once" (Lk 21: 9). Keeping this admonition in mind, from the beginning the Church lives in prayerful waiting for her Lord, scrutinizing the signs of the times and putting the faithful on guard against recurring messiahs, who from time to time announce the world's end as imminent. In reality, history must run its course, which brings with it also human dramas and natural calamities. In it a design of salvation is developed that Christ has already brought to fulfillment in His Incarnation, death and Resurrection. The Church continues to proclaim this mystery and to announce and accomplish it with her preaching, celebration of the sacraments and witness of charity.

Let us welcome Christ's invitation to face daily events by trusting in His providential love. Let us not fear the future, even when it can appear with bleak colors, because the God of Jesus Christ, who entered history to open it to its transcendent fulfillment, is the alpha and the omega, the first and the last (see Rv 1: 8). He guarantees that in every little but genuine act of love there is the entire sense of the universe, and that the one who does not hesitate to lose his own life for Him finds it again in fullness (see Mt 16: 25).

May Mary, Mother of the Incarnate Word, accompany us on our earthly pilgrimage. We ask her to sustain the witness of all Christians, so that it is always based on a solid and persevering faith.

Sincerely yours in Christ,
Father Newcomb
