Timothy Michael Cardinal Dolan writes:

Dear friends in the Lord:

At Baptism, each of us is marked by the Lord and entrusted with a special responsibility to tell the world of His message and invitation. We are, indeed called to serve as His missionaries.

World Mission Sunday affords all baptized Catholics an opportunity to celebrate their missionary vocation through prayer and sacrifice for the missionary work of the Church.

This year’s *World Mission Sunday*, October 20th, marks the 110th Anniversary of our “mission independence.” Through 1908, the church in the United States was the beneficiary of the generosity of the Catholic faithful of Europe through the Society of the Propagation of the Faith. In fact, two-thirds of the very first collection of the Propagation of the Faith, in 1822, was sent to the Church in America, making it possible to build churches and schools, educate clergy and religious, provide for the good works of religious communities, and support evangelization here at home. By a 1908 papal decree, the designation “mission territory” was removed from the United States. More than one hundred years later, as we recall our own mission history, we are called upon to assist both spiritually and financially the more than 1,150 “young churches” in Asia, Africa, the Pacific Islands, and Latin America, all of which have the same needs that the United States once had.

With this in mind, please be as generous as your means will allow this *World Mission Sunday* so that the Propagation of the Faith can continue to spread the “ Good News” to the growing faith communities of our day. So, too, following the call of our Holy Father, Pope Francis, let us pray that our celebration of *World Mission Sunday* will generate within us a renewed awareness of the need to proclaim the Gospel to all corners of the world.
