

Christmas

BLESSINGS

*Best Wishes from everyone at St. John the Baptist School for a
Happy & Holy Christmas.*

We pray for health & peace in the New Year.

*Enjoy your days with family, but please be careful. We have done
well since September and wish to continue in January with our
students in school. Seeing family is great, but the virus continues
to spread unfortunately.*

Stay safe!

With gratitude for your interest in your children,

Sr. Mary alicia & the S.J.B. staff
