Living and Giving Results

Congratulations and thank you to our parishioners who helped Holy Family meet its goal for the 2018 Living and Giving Diocesan campaign. We were assessed over $18,000 and at this point we have exceeded it by over $3,000 with pledged donations. We have exceeded the goal with paid donations by over $1,000. The 2019 campaign begins in April and we will have about the same amount to raise. We would encourage parishioners to make any further donations, other than those already pledged, to the 2019 Living and Giving Campaign. Watch for the new information packets and announcements about the 2019 campaign this spring. This was quite a large amount for our small congregation to raise so we are truly grateful.

Month of the Passion of the Lord

The month of February is traditionally dedicated to the Passion of Our Lord in anticipation of the liturgical season of Lent. In this month, we begin to meditate on the mystery of Jesus’ sufferings which culminated in his death on the Cross for the redemption of mankind. Saints who had a special devotion to Christ's passion include St. Francis of Assisi, who was the first known saint to receive the stigmata; St. John of the Cross; St. Bridget of Sweden; and St. Catherine of Siena.

You Belong to God

At issue here is the question: “To whom do I belong? God or to the world?” Many of my daily preoccupations suggest that I belong more to the world than to God. A little criticism makes me angry, and a little rejection makes me depressed. A little praise raises my spirits, and a little success excites me. It takes very little to raise me up or thrust me down. Often I am like a small boat on the ocean, completely at the mercy of its waves. All the time and energy I spend in keeping some kind of balance and preventing myself from being tipped over and drowning shows that my life is mostly a struggle for survival: not a holy struggle, but an anxious struggle resulting from the mistaken idea that it is the world that defines me. . . .

As long as we belong to this world, we will remain subject to its competitive ways and expect to be rewarded for all the good we do. But when we belong to God, who loves us without conditions, we can live as he does. The great conversion called for by Jesus is to move from belonging to the world to belonging to God.
