

Greetings!

I am praying for our safety, health and sanity.

This year we have been studying the Covenants (sacred, everlasting promises) God has made with His people.

Like Noah, Abraham, Isaac, Jacob, Joseph (OT), Moses, and Mary, we are called to have Faith that God is with us in good times and bad.

We are tested in our trust in Him and in how we are being and behaving as God's people in this crisis.

It might be food for conversation in our families.

Try to make these times opportunities to talk about and with God.

Perhaps there is time to pray the Rosary and read the Bible as a family again.

I have provided guided reading for 6th graders.

Please encourage their work and questions.

I can be reached through email or text to the Rel. Ed office, if needed. I will call or text next week before my next assignment.

With wishes for blessings upon you and your families,
Jean Gallo
