

St. Mary's Parish Program
to Enrich Our Couples Growth in Faith
The BEATITUDES: A Couple's Path to Greater Joy

We invite couples of all ages to participate in six "Dates "
to reflect on their relationships and explore:

**The Beatitudes as the path to
Holiness and Joy in Christian Marriage**

St. John Paul taught us: *"People are made for happiness... It is told in the Book of Genesis: God created man and woman in paradise, Eden, because he wanted them to be happy... The 'Sermon on the Mount' marks out the map of this journey. The eight Beatitudes are the road signs that show the way."* (John Paul II – World Youth day 2002)
