Church in Central & Eastern Europe

This weekend, May 18th and 19th the second collection is for the Church in Central & Eastern Europe. The rebuilding in the wake of Soviet rule is a struggle. Often the people face poverty, infrequent pastoral care, and lack of places to worship, presenting challenges as they try to live their lives of faith. Eastern Ukraine especially suffered for many years as a stronghold of communism. The Catholic faith was illegal or restricted so atheism grew stronger and family values deteriorated. Your support of the CCEE helps to restore and build the future. If you would like more information visit www.usccb.org/cee
