Bestow on us the grace, O God, necessary to live out this great mission across the archdiocese, at our parishes and in our homes. May we follow Your Son's example and minister to the suffering, the lonely and the needy in our midst with patience, courage and love.

Dynamic Catholic Corner

Dynamic Catholic is a program that I hope as a parish we utilize through online videos, daily inspirations, books and literature that will be made available to you in the back of the church.

You will find in the back of the church this Lenten season a journal that will take you through Lent in a whole new way; I am hoping that some of our you take and use the journal. Part of the program is that you log into the website DynamicCatholic.com which will send you a daily video to watch and words of inspiration. Many of you have heard of Matthew Kelly, Fr. Burke provided books in the pews last year from him, this is his inspirational program; there is no solicitation on this website, it is free.

Experience Lent in a whole new way with the BEST LENT EVER Journal. A companion to the BEST LENT EVER email program, this journal offers thought-provoking opportunities for personal reflection each day. When you receive your BEST LENT EVER email, pull out your journal and pen, watch the daily video, and take a few minutes to write down your thoughts and reflections. Reflect on the day's question and the ways that you can incorporate these practical lessons into your life. Get ready to have a life-changing Lent!

I look forward to hearing some feedback from you and I hope you have the best Lent Ever! Feel free to contact me at dgottstine@yahoo.com if you have any questions.

Yours in faith, Debbie Gottstine
