

### **Grave Decorations**

Crosses, fences, wire enclosures, urns, plastic images, toys, pedestals and other similar articles are not permitted on graves or memorials. The cemetery will not be responsible for the disappearance of, or damage to, any such article placed on graves in disregard of the rules and regulations.

All plants and flags will be removed from the grave holdings when their appearance adversely affects the general appearance of the Cemetery.

### **Memorials**

The erection of memorials and inscriptions on the existing memorials are subject to specific regulations. The Cemetery reserves the right to remove any memorial which is in dangerous condition or is detrimental to the general appearance of the Cemetery.

Foundations in dangerous condition will be repaired and charged against the grave holding.
