My Dear Parishioners,

As we come to the end of October and **Respect Life Month**, I feel it is important to share the following with my parish family . . .

Fifty years ago, on July 25, 1968, Pope Paul VI issued an Encyclical Letter entitled *Humanae Vitae*, "On Human Life". Two weeks ago, on October 14, 2018 Pope Francis canonized his predecessor as **Pope Saint Paul VI**.

This teaching of the late Holy Father is in many ways more important today than at any time before. Reflecting on this, Bishop Barres of the Rockville Centre Diocese issued a Pastoral Letter entitled *The Supreme Gift: The Gift of Life* commemorating Pope Saint Paul VI's all-important Encyclical Letter. In his message, Bishop Barres sought to teach the people of his diocese the important truths of *Humanae Vitae*, because these truths very much need to be reexamined today in light of the problems we face in our time.

Bishop Barres' letter can be found at <http://supremegiftletter.com> (in English or Spanish). I urge you to read it, and discuss it as married couples and as families. The Bishop says, "*Understanding the teaching of Humanae Vitae, believing it, and living it, is one of the first and most important answers to the crisis of our time. I truly believe that Pope Saint Paul VI wrote the letter more for our times than even for his own. Today it can become the first step in repairing the injury between men and women, husbands and wives, parents and children, the family and society.*"

Pope Francis said of his predecessor: "*When we look at this great Pope, this courageous Christian, this tireless apostle, we cannot but say in the sight of God a word as simple as it is heartfelt and important: thanks! Thank you, our dear and beloved Pope Paul VI! Thank you for your humble and prophetic witness of love for Christ and his Church! . . . In [his] humility the grandeur of Pope St. Paul VI shines forth: before the advent of a secularized and hostile society, he could hold fast, with farsightedness and wisdom—and at times alone—to the helm of the barque of Peter, while never losing his joy and his trust in the Lord.*"

Keep smiling

Fr. Jacob
