# Help us celebrate our 100th!

Please mark your calendars now and join us as we celebrate our parish's 100th anniversary year starting on July 1, 2020!

It is hoped that all events will take place as planned but it should be understood that the currently scheduled offerings are subject to change due to social distancing guidelines as we move forward over the next months. As a result, an R.S.V.P. may be required for a parishioner to attend some events. This and any other special guidelines will be announced in advance of an event. We are hopeful that these events can take place and we will take care that they will be done with all precautions to make the events enjoyable and safe for all.

**Please be sure to check the bulletin and parish website for more details to come and any possible changes to be announced as each event gets closer.**

We hope to see you there!
