

## **First Communion group photos**

StMM's 100th Anniversary Heritage Room is looking for First Communion group photos. We know some years did not take group photos and many years in the late 1960s, 70s and early 1980s did not make their First Communion as a group. This makes it hard to know what is missing and what never existed.

### **Here are the years that we do not have group photos for:**

NOTE, the year listed is the year that the class made their First Communion, NOT their 8th grade graduation year. Their presumptive year of 8th grade graduation is in parenthesis.

1920 through 1934 (graduation years of 1926 through 1940)

1939 (graduation year 1945)

1959 (graduation year 1965)

1964 through 1966 (graduation years of 1970 through 1972)

1968 through 1978 (graduation years of 1974 through 1984) – we think these are years when group First Communion were not taking place, but we are still asking in case we are wrong.

1982 and 1983 (graduation year of 1988 & 1989)

1992 (graduation class of 1998)

1994 (graduation class of 2000)

1999 (graduation class of 2005)

2001 (OLG graduation class of 2007)

2004 (OLG graduation class of 2010)

2006 (OLG graduation class of 2012)

Any years after 2006 up to present.

We know that in some of the more recent years there may be only an individual rather than a group but we would be happy to have them included in our display.

If you have a photo or think you might have one that we are missing, please contact the parish office at 521-7387, or email [communications@stmargaretmaryparish.org](mailto:communications@stmargaretmaryparish.org) and we can arrange to scan your photo to our specifications and return it to you.
