Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

Dear Fellow Parishioners,

Tomorrow we celebrate Dr. Martin Luther King Day, and honor a man who helped to educate a nation about the evils of racism and the violence associated with it. He spoke about the common bond of all human beings, and the respect that each person so rightly deserves. His message was uplifting for many, but it was also threatening to many others, so much so that it cost Dr. King his life. While we have made progress in some ways, we still have a long way to go to fulfill his dream. Recent events of racial and ethnic violence give witness to a deep need for education, understanding, reconciliation and healing. Our local faith communities are joining together to help foster just these things. I invite you to today participate in a program to promote unity and respect. The program begins at Asbury United Methodist Church at noon, with a gathering, refreshments and a presentation. From there people will walk to Holy Name of Mary and St. Augustine Episcopal for a period of group discussions and presentations. Coming together in this way will enable us to create a bond of unity and help to determine how we, both as faith communities as well as members of the wider community of Croton, can continue to foster a welcoming atmosphere for all, as well as how we can prevent bigotry and violence from rearing its ugly head here in our village. You can come for the entire two hours, or drop in along the way. You presence will mean a lot!

The National Conference of Catholic Bishops has designated Monday, January 22nd as a Day of Prayer for the Legal Protection of Unborn Children. It might be a good day to come to Mass, or to pray a decade of the Rosary for the end to abortion. Please see the literature in the vestibule for more information about travelling to the Right to Life March in Washington, or contact our Respect Life Ministry at any time.

There’s lots more info in today’s bulletin, so please take a gander.

A parting chuckle: The definition of the word PROCESSION: the ceremonial formation at the beginning of Mass consisting of the altar servers and the celebrant --- and late parishioners trying to find seats.

With prayers and love,

Fr. Brian

Monday, January 22 is the 45th anniversary of the legalization of abortion through the Roe V. Wade decision. As you know and as has been highlighted by the partial birth abortion controversy, this decision legalized abortion for the entire period of pregnancy.

The annual Washington DC MARCH FOR LIFE, will be held this Friday, January 19th. As we have for 25 years, The Respect life Society will be co-sponsoring a bus, will leave from St. Augustine School in Ossining. Beside the walk up Constitution Avenue, we will be lobbying our congressional representative, and Senators Schumer and Gillebrand, to make our views on the unacceptableity of abortion on demand known to them. To some extent The MARCH FOR LIFE has morphed into a huge youth rally – if you want to see the future of the Church consider travelling with us!

We are asking for a $30 donation for the bus, but will cover the cost of anyone who would like to make the trip. And students travel for free. If you are unable to travel with us, please consider making a donation toward the cost of the bus.

Call Brigal Faranda (271-4598) or Judith Anderson (271-4627) for further information or to sign up for the bus.

READINGS FOR THIS WEEK
SECOND SUNDAY IN ORDINARY TIME

FIRST READING: SAMUEL 3:38-10, 19
SECOND READING: EPHESES 3:2-3A, 5-6
GOSPEL: MATTHEW 2:1-12

Next Weeks Readings
THIRD SUNDAY IN ORDINARY TIME

First Reading: Jonah 3:1-5, 10
Jonah set out for Ninevah as God asked and told the people that their city would be destroyed in forty days. The people believed him and repented from their evil ways. God did not destroy their city, showing his mercy for those who see the evil of their ways and correct it.

Second Reading: I Corinthians 7:29-31
Paul advises the Corinthians that their world is changing, so they should not take their daily trials too seriously. We should remember that the problems of everyday living will not last forever, but the eternal life God promises us will.

Gospel: Mark 1:14-20
Jesus observes Simon and Andrew where they are fishing and tells them to come with him and become “fishers of men.” They abandon their nets without hesitation to follow him. Next he calls James and his brother John, who also leave what they are doing and follow him without question.

A message from our new Care for Creation Ministry

Creator God, we give thanks for You—for your presence among us, and among all that you have created. Thank You for the magnanmious gift of creation itself, for every aspect of it, as every bit of its goodness and order reveals You. Thank You for the love that You manifest in creation. Pope Francis has said that “creation is of the order of love.” We thank You for the gift of Your love beyond measure, and we thank You for bestowing on us the gift to love in return. Thank You for the sustenance, strength, and peace that Your creation gives us. Thank You for the unique gifts bestowed on each of us, and especially for the gifts of resilience and beauty in our poorest sisters and brothers. We ask that You increase our capacity to love, that You give us the resolve to love in deeds and not simply in words.

"An integral ecology includes taking time to recover a serene harmony with creation, reflecting on our lifestyle and our ideals, and contemplating the Creator who lives among us and surrounds us, whose presence 'must not be contrived but found uncovered’” Laudato Si – 225
